

CIRCULAR TO PARENTS

A Season of Sharing

Dear Parent ,

We humans as social beings are richly endowed by God Almighty with love and compassion that binds us all together to take care of our mother earth. It is love that builds up and drives our world. All great world religions teach us the way to disseminate this unique noble quality of men through our good actions. There are many men, women and children who live below the poverty line without proper homes, good food and clean water.

I call upon all our lovable students and dear parents, let us all join together to help these underprivileged people. Let this summer be a meaningful season of showing our love to all those inmates of old age homes and orphanages by means of sharing old clothes, school bags, utensils, shoes and sandals etc. These materials would be of great help to those children deprived of parental love, forsaken old men and women who long for our help and support.

I also welcome our student volunteers to provide good food and medicines or money to those children in agonizing conditions of hunger, poverty, cancer and facing the excruciating hardship of many other incurable diseases and death. I hope that this meaningful season of sharing will give us real happiness with great satisfaction and show us that this noble humane act of giving is more precious and valuable than diamonds and rubies. So I request you to donate the same to their respective class teacher on or before 22 . 04 . 2019 .

Thanks and Regards,

Sr Principal
